

PROFESSIONAL EXPERIENCE

General Counsel, Core States Group, Ambler, Pennsylvania **2018 - Current**

- Advise CEO, President, Board Members, Officers, and other business stakeholders on all legal matters to support hundreds of commercial architecture, engineering, technology, and renewable energy projects across all 50 states and Canada. Interpret and communicate complex legal systems to business stakeholders in a relevant and easy-to-understand manner. I save the legalese for lawyers only.
- Draft, negotiate, and review commercial contracts such as EPC, consulting, O&M, confidentiality, and Power Purchase Agreements for renewable energy projects such as solar panels, battery storage, and electric vehicle charging station design and installation.
- Create compliance and training programs for intellectual property, privacy, cybersecurity, data, and contract management. Collaborate closely with the Technology & Innovation team's software development and design technology SMEs on software development, data, and artificial intelligence projects.
- Coordinate and review documents with subject matter experts on project planning and compliance matters in the evolving renewable energy space. Advise on data, machine learning, and other technology legal matters.
- Operate as lead attorney on multi-million-dollar M&A activities where I review LOIs, term sheets, and finance documents. Coordinate with outside counsel on disputes, claims, litigation, and M&A matters.

Associate, Eckert Seamans Cherin & Mellot LLC, Philadelphia, Pennsylvania **2016 - 2017**

- Drafted PTO office action responses, cease and desist letters, and responses for various trademark and copyright matters. Performed trademark and copyright search and analysis and policed client trademarks.
- Researched and wrote memorandums on general litigation and intellectual property issues such as trademark, copyright, First Amendment, civil procedure, and DMCA.
- Drafted, edited, and reviewed licensing, service, and confidentiality agreements. Built and maintained positive client relationships.

LEADERSHIP & VOLUNTEER EXPERIENCE

AI and Robotics Subcommittee and Corporate Counsel Committee (American Bar Association)

Vice Chair(AI), 2021 - *Current* | Co-Chair(Corporate) 2022 – *Current* | Business Law Fellow, 2019 - 2021

- Organize, develop, and serve on panels to advise on legal, technology, and business developments.
- Conduct legal, technological, and business research to produce tools, templates, and policy standards for the business law community nationwide. Serve as SME on the intersection of artificial intelligence and business law.
- Serve as Managing Editor for *Business Law Today*, where I edit and draft checklists, articles, and legal updates for the business and business law community on topics such as M&A, data, artificial intelligence, energy, and the corporate counsel role.
